Dear Friends:

Thank you for making a gift to Sunshine School!

Gifts from friends like you help us continue to serve children, and people of all ages, who have developmental disabilities, delays, or are at risk due to economic or home-life situations. We received your generous donation of \$ 3,000.00 on 12/10/2008. The Sunshine School is very fortunate to have your support. Your gift is tax-deductible—*please keep this letter with your tax records.*

This is a very special year for the Sunshine School as we celebrate 50 years of serving people with disabilities in our community. We moved into our new facility in January of 2007 which has allowed us to increase our enrollment in the preschool and toddler center by 50%, as well as enable us to serve more families in Northwest Arkansas through our other programs. Thank you for being a part our celebrating 50 years in 2008!

Thank you for thinking of us with this gift! If you have any questions or would like a tour of our new facility please do not hesitate to call!

Sincerely,

Diane S. Byram  
Development Director

*We are honored the Corvette Club chose to support us this year! Your generous donation will directly impact the lives of children with special needs in our community, thank you!*
