Dear Archie and Northwest Arkansas Corvette Club Friends:

Recently I was walking through a hotel where they were decorating for a holiday event. One decorator was busy working while her infant slept nestled under the Christmas tree so peaceful and unaware of the buzz of activity around her. I stopped to enjoy that scene. I took a moment to enjoy not only the beauty of this season, but mostly the beauty of the children, their excitement, their gaiety and, hopefully, their innocence.

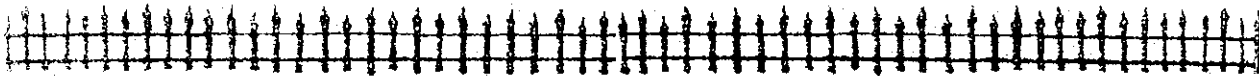

I say, hopefully, because in the midst of this joy and beauty, I look into the children's eyes and my heart breaks, because I know statistics. Statistics say that a minimum of 6 out of 10 of those precious lives have been or will be ravaged by abuse. I don't just shed a tear . . . I mourn.

But, gratefully, I take another look and realize that we live in a community that cares and is making significant progress in providing safety and love for all children. Thank you for your recent \$3,00.00 financial gift to the CAC. What an incredible blessing!!! We are so grateful for your thoughtfulness of our Agency.

This is a season of HOPE, and we are thankful that we can and do offer hope, support and encouragement to every life that comes through these doors. Thank you for helping us make this possible!!

Have a Blessed Holiday Season,

Beverly R. Engle
